# **WORKSHOP 2**

## **The Transformation of Mature Manufacturing Sectors**

### **Conclusions and Recommendations**

**Coordinator: Christoph Hanisch**

**Rapporteur: Américo Azevedo**

# The transformation of mature manufacturing sectors

## Presentations

- Workshop coordinator (Christoph Hanisch - Festo AG&Co.KG)
- Case CODIZO (Vasco Sampaio and Candida Medon)
- Case HOMAG (Ulrich Doll)
- FP 5 Project evaluation VDI/VDE-IT (Helmut Kergel)

Host: Codizo

Papporteur: Americo Azevedo

# Transformation is a learning process

Effective exchange between academia and industry

Need for a clear industrial strategy

Necessity of industry to spell out its needs

Necessity for research institutes to look beyond technology or publication

Necessity of private investment into R&D

Need to sharpen the tools of research programs towards sustainability
